

***Tabernacle Learning Center
For Preschoolers
2020-2021***

*“Children are a gift from the LORD...”
Psalm 127:3a*

Tabernacle Learning Center for Preschoolers believes children learn best and are better prepared for future educational experiences if involved in a child-initiated, learning through play environment.

Children are introduced to Christian stories, beliefs and activities to help them learn about God’s world. Children are also introduced to activities to help them explore their world, how it works, and how they fit into it.

Class Size

The ratio for each classroom is 2 teachers to 8 children with a maximum of 8 children per class.

School Days

Weekday Preschool meets on Monday, Tuesday, Wednesday, and Thursday from 9:30 am to 1:00 p.m. Parents have the option of two, three, or four days a week depending on the child’s age. Children bring their lunch and eat in their classroom or in the dining room each day.

Ages of Children

The program is open to children who are two to five years old. Separate rooms are used for each age group. Each child must be the age of the class before August 31, 2020.

4 day Transitional Class

This class is for those children that do not meet the date of August 31, 2020 to go to Kindergarten. Children will be in a structured, fun environment with two teachers and 8 children. The children develop social skills, learn how to interact with peers, and prepare for Kindergarten.

Special Classes

Chapel – Meets once a week in the Sanctuary with a story and a bible verse to reinforce the theme for the month.

Music – Meets once a week where music, movement, rhythm, and Spanish is taught. (Numbers 1-10, Colors, Greeting, and house hold words).

Science – Meets once a week where they do experiments, learn about nature, learn about germs, discover about the world and themselves.

Curriculum

Weekly we focus on a Bible story and a theme (i.e. colors, seasons, transportation, and opposites). The activities from the Bible Story and theme focus on 5 different centers: Dramatic Play, Blocks, Table Toys, Art, and Reading. Some of the skills learned in each center are as follows:

Dramatic Play – Role playing, expression of feelings, development of understanding family roles, coping with stress, use of imagination in fantasy play, increase language, vocabulary, and social skills.

Blocks – Organization, classification, social skills, imagination, self-esteem and self-confidence, eye-hand coordination, order, cooperation, problem solving, gross and fine motor skills, space awareness, respect for others property, shape, size, and weight comparison.

Table Toys - Making choices, identification of shapes and forms, visual memory, small muscle control, problem-solving, classification, development of eye-hand coordination, play with partners or alone, observations, self-esteem, development of language, counting and ordering, matching, learning from mistakes, and working independently.

Art - Artistic self-expression, creativity, and exploration of a variety of materials; skills with small tools, appreciation of different ideas, sense of personal accomplishments and self worth; discovery of color, design, and form relationships; choices, decisions, and clean up tasks.

Reading - Skills of quiet time, restful, independent, self-planned time; appreciation of books; visual and listening skills; using imaginative thoughts.
